54th Street Reconstruction

Dear Resident:

Bridge railing and sidewalk installations will continue over the next few weeks. Completion of the bridge to allow traffic over the creek is approximately three weeks away.

Access provided to your new concrete driveway via a gravel ramp will be in place by Monday at the latest.

The base course of paving is scheduled for Wednesday of next week. Notices will be handed out the day prior to paving. Moving out of your driveway will not be necessary during paving operations. You will not be able to park on the street, however. Paving crews move fast and you will be able to drive on the new pavement within 15 minutes after it is compacted with a rolling machine. Paving crews will direct you around the paving operations as required.

Crews will begin restoration of irrigation, landscaping, sidewalks and driveways next week.

All schedules are weather-dependent and are subject to change.

Pedestrians and bicyclists: please use the existing bridge located just north of 54th Street in Arden Park near the shelter.

Site safety is extremely important during bridge construction. Do not attempt to cross safety fences or access the creek while the bridge is under construction.

If you see any activity in the construction area after working hours or on weekends, please call the Edina Police Department at 952-826-1600. Thank you for your help.

Communications

Please contact me at 612-255-4030 or mhorn@sehinc.com with any questions or concerns. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/54thstreet. The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Mike Horn
City of Edina On-site Representative
